Joining the panels

Place	Put the panels wrong sides together, flipping one over so the toes point the same way. Match the edges and pin with stitch markers.
Join	With red, join through both layers at the top corner of the heel side. Sc evenly through both layers down the side, around the sole and toe and up the front, working 1 sc per row end and per stitch and 2–3 sc at each corner. Leave the top open. Fasten off.

Cuff (white) · in the round

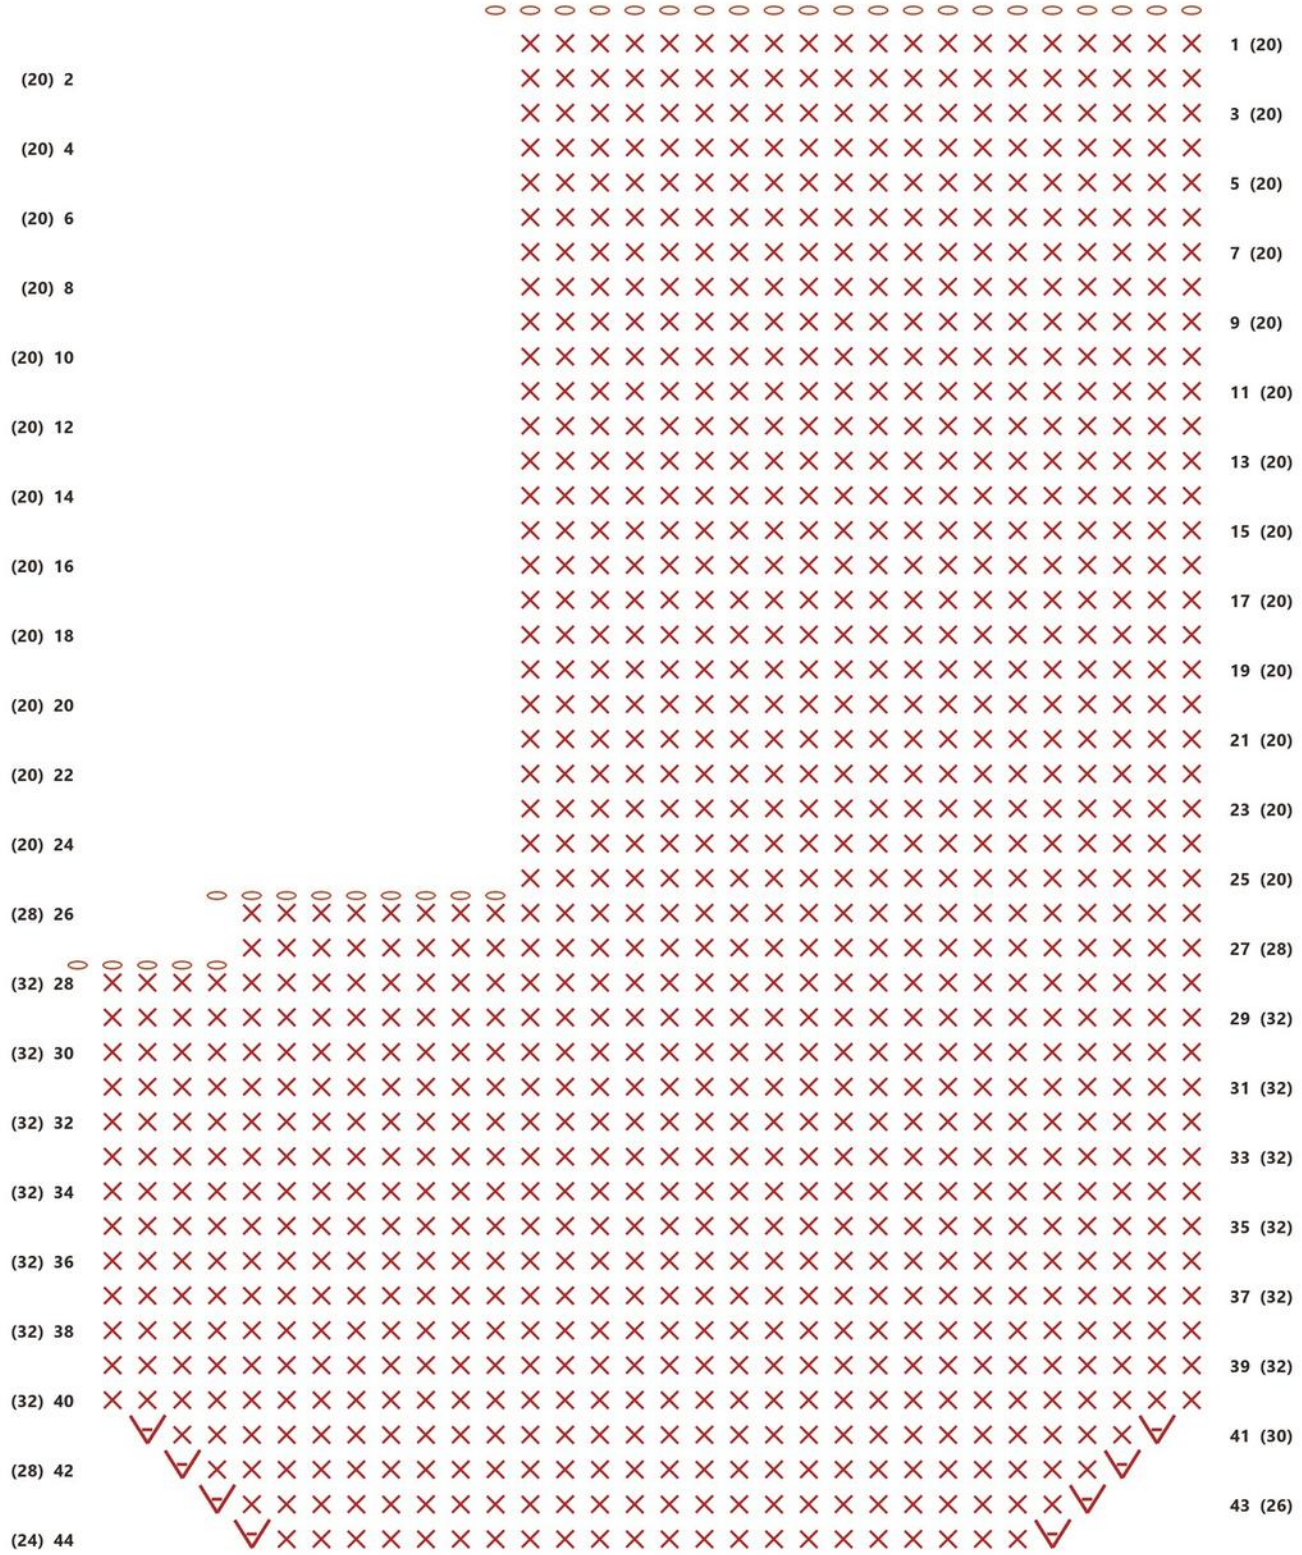

Round 1	Join white at the heel-side seam of the top edge. Ch 1, sc in each st around (20 per panel), join.	**(40)**
Rounds 2–7	Ch 2 (doesn't count), hdc in each st around, join.	**(40)**
Loop	At the heel-side seam: ch 18, sl st in the same st, then work 24 sc into the loop and sl st to the cuff. Fasten off.
