- A 2 in or 3 in plastic or metal ring, 4 mm (US G-6) hook, tapestry needle

Abbreviations (US terms)

ch	chain	**yo**	yarn over
sc	single crochet	**rnd**	round
sl st	slip stitch	**st(s)**	stitch(es)

Work Rnd 1 tightly and push the stitches together so no ring shows. The more loops you make, the fuller the wreath.

Mini wreath (2 in ring, about 2.9 in across)

Rnd 1	With green, make a slip knot on the hook. Work 28 sc over the 2 in ring (insert the hook through the middle of the ring, yo, pull up a loop, yo, pull through 2), pushing the stitches together so they cover the ring. Sl st in the first sc. Do not turn.	**(28)**
Rnd 2	Working in the FRONT loops only: ch 1, *sl st in the front loop of the next st, ch 4*; repeat around, sl st in the first sl st.	**(28 ch-4 loops)**
Rnd 3	Working in the BACK loops of Rnd 1 (the loops left free behind Rnd 2): *sl st in the back loop of the next st, ch 5*; repeat around, sl st in the first sl st. Fasten off and weave in the ends.	**(28 ch-5 loops)**
Berries (make 3)	With red, ch 3. (Yo, insert the hook in the 3rd ch from the hook, yo, pull up a loop, yo, pull through 2 loops) 4 times, yo, pull through all 5 loops on the hook, ch 1. Fasten off with a 6 in tail. Tie the two tails together behind the berry so it puffs up.	**(1 bobble each)**
Bow	With red, ch 30 (about 7 in). Fasten off and tie the chain into a small bow. Trim the tails.	
Hanging loop	Join red to the top of the ring between two loops, ch 20, sl st in the same st. Fasten off.	**(ch 20)**
Finishing	Fluff the loops with your fingers. Sew the bow at the top just below the hanging loop, and the 3 berries in a cluster at the lower left. Tie it on the tree or a gift.	

Classic wreath (3 in ring, about 3.9 in across)

Rnd 1	With green, make a slip knot on the hook. Work 44 sc over the 3 in ring (insert the hook through the middle of the ring, yo, pull up a loop, yo, pull through 2), pushing the stitches together so they cover the ring. Sl st in the first sc. Do not turn.	**(44)**
