Assembly

Head	Sew the open top of the body to the underside of the head, slightly towards the front, so the fox looks forward.
Muzzle	Sew the white muzzle to the lower half of the face between the eyes, pointing slightly up. Embroider a black nose on the tip.
Ears	Sew the ears on top of the head, 5 sts apart, tilted outward. Optional: a few white straight stitches inside each ear.
Belly	Sew the white oval to the front of the body.
Legs	Sew the front legs to the chest, pointing down; sew the back legs to the sides at the base, pointing forward, so the fox sits.
Tail	Sew the tail to the back at the base and tack the white tip to the side so it curls around the body.
