Long loop (wraps twice)

Infinity Scarf · How It's Built

A flat rectangle in rows; seam the two short ends into a loop

Long loop: 9.1 × 60 in, 195 rows. Cowl length: 30.2 in, 98 rows.
Rows run across the 9 in width. For a Mobius loop, give one end a half twist before seaming.

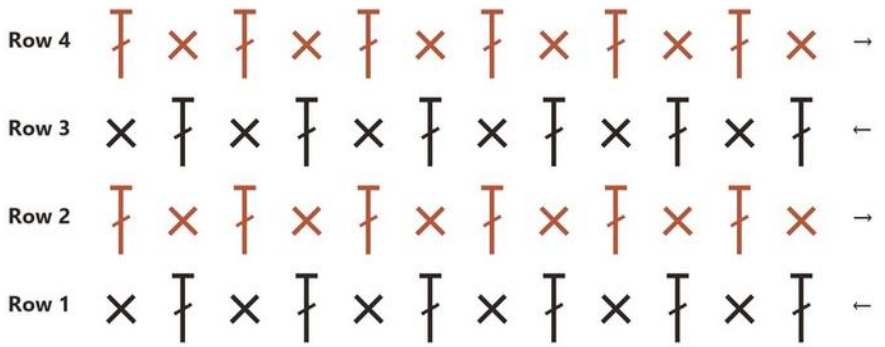
Griddle Stitch · Chart

Sc and dc alternate; each row puts a sc into a dc and a dc into a sc (rows are turned)



Every row: ch 1, *sc, dc*; repeat to the end. Turn.

Because you turn, the sc lands on the dc below: the texture appears by itself.
