1. Felt star (about 3.4 × 3.3 in)

Cut	star ×2 (red)
Step 1	Cut 2 stars in red.
Step 2	On the front star, work a running stitch in white 2 strands about 3/8 in inside the edge.
Step 3	Stack the two stars, put a 6 in ribbon loop between them at the top point, and blanket stitch around the edge in red, adding a little fibre fill before you close it.
Step 4	No-sew: glue the stars together with the loop in between and draw the white 'stitches' with a white paint pen.

2. Felt Christmas tree (about 3.1 × 3.8 in)

Cut	tree ×2 (green), trunk ×2 (brown), star ×1 (gold), baubles ×6 (red)
Step 1	Cut 2 trees, 2 trunks, 1 gold star and 6 red felt dots (a 1/4 in hole punch is perfect for the dots).
Step 2	Sew or glue the red dots on the front tree and add two diagonal garlands of cream running stitch.
Step 3	Sandwich the two trunk pieces at the bottom between the trees, the ribbon loop at the top, and blanket stitch around in green.

Step 4	Glue the gold star over the top point. No-sew: glue all layers with fabric glue and let it dry flat under a book.

3. Felt gingerbread man (about 2.9 × 3.6 in)

Cut	gingerbread man ×2 (tan), buttons ×2 (red)
Step 1	Cut 2 gingerbread men in tan felt and 2 red dots.
Step 2	On the front piece, stitch white zigzag 'icing' across the hands and feet, two black French knot eyes and a white backstitch smile; sew on the red buttons.
Step 3	Place the ribbon loop at the head, stack the pieces and blanket stitch around in tan, stuffing lightly as you go.
Step 4	No-sew: use white rickrack or a white paint pen for the icing, buttons glued on.

4. Felt mitten pair (about 2.6 × 3.4 in)

Cut	mitten ×4 (red), cuff ×4 (white)
Step 1	Cut 4 mittens (2 per mitten, flip the template for the second mitten) and 4 white cuffs.
Step 2	Stitch a little white snowflake on the front of each mitten (6 straight stitches from the centre).
Step 3	Blanket stitch each mitten pair together, leaving the cuff edge open, then sew a cuff to the front and back.
Step 4	Join the two mittens with a 12 in ribbon sewn inside the cuffs. Tuck a gift card or a candy cane inside. No-sew: glue the edges, not the opening.

5. Mini felt stocking (about 2.8 × 3.3 in)

Cut	stocking ×2 (green), cuff ×2 (white), heel ×1 (red), toe ×1 (red)
Step 1	Cut 2 stockings in green, 2 white cuffs, a red heel and a red toe (trim them to the stocking edge after sewing).
Step 2	Sew the heel, toe and two rows of white running stitch on the front piece.
Step 3	Blanket stitch the two stockings together, leaving the top open. Fold a cuff over the front and back top edges and stitch it down.
Step 4	Add a loop at the back corner. It holds a mini candy cane or a note. No-sew: glue everything except the top.

Step 1	Cut 2 hearts in red.
Step 2	Embroider a white snowflake on the front: 6 straight stitches from the centre with a small V at each end.

Cut	snowman ×2 (white), hat ×1 (black), scarf ×1 (red), nose ×1 (orange)
Step 1	Cut 2 snowmen in white, 1 black hat, 1 red scarf and a small orange nose.
Step 2	On the front piece, glue or stitch the hat, scarf and nose; add black French knot eyes and three buttons.
Step 3	Stack with a loop under the hat and blanket stitch around in white, adding a little fibre fill.
Step 4	No-sew: glue all the pieces; draw the eyes and buttons with a black fabric marker.

8. Striped felt bauble (about 3.0 × 3.2 in)

Cut	bauble ×2 (green), bands ×2 (cream), cap ×2 (gold)
Step 1	Cut 2 green circles, 2 gold caps and 2 cream bands per side (cut the bands longer and trim them to the circle).
Step 2	Glue or stitch the cream bands across the front and add a red running stitch between them.
Step 3	Stack the circles with the caps at the top and a loop between the caps; blanket stitch around in green.

Cut	holly leaf ×4 (green), berries ×6 (red)
Step 1	Cut 4 holly leaves (2 for each leaf) and 6 red circles for 3 berries.
Step 2	Sew a vein of running stitch down the middle of each front leaf, then blanket stitch each leaf pair together.
Step 3	Stitch two berry circles together around a tiny bit of fibre fill to make each puffy berry.
Step 4	Sew or glue the two leaves in a V and the 3 berries over the join. Hang it, or glue it on a gift or a napkin ring.
