- For iron-on: an iron-on transfer pen or pencil (or iron-on transfer paper). For tracing: a water-soluble pen.

Abbreviations (US terms)

BS	backstitch, 3 mm	**FK**	French knot
LD	lazy daisy	**DMC**	floss colour number

Print at 100% (actual size) and check the 1 in square. Use the MIRRORED page for iron-on methods and the NORMAL page for tracing.

Transfer methods

Iron-on transfer pen or pencil	Print the MIRRORED template, trace it on thin paper with the transfer pen, place it ink-side down on the fabric and press with a hot, dry iron for 10–15 seconds without sliding. Lines are permanent, so stitch over them fully.
Printable iron-on transfer paper	Print the MIRRORED template on iron-on transfer paper with an inkjet printer and iron it on following the paper's instructions.
Water-soluble pen + light box or window	Tape the NORMAL template to a sunny window, tape the fabric on top and trace. The lines wash out with cold water.
Water-soluble stabilizer	Print the NORMAL template on sticky water-soluble stabilizer, stick it on the fabric, stitch through it and rinse it away. Best for dark fabrics.

Lavender Bundle

Step 1	Backstitch the 4 stems in pine green 3363, from the tie point up to the tips.
Step 2	Work the buds as lazy daisy stitches in pairs along the top of each stem, alternating very dark violet 333 and medium violet 340 from pair to pair; finish each stem with one 333 lazy daisy at the tip.
Step 3	Backstitch the two bow loops and the two ribbon tails in light beige 3047, then add a French knot at the centre of the bow.
